THIS SIDE FOR CORRESPONDENCE

Dear Mabel,- I am writing the girls today that I am planning to be home next week and have you all at the house, 41 Hooker St., to recite for promotion, on Saturday afternoon. I will let you know for sure by Friday. I am sorry not to be with you these last Sundays but this seemed the convenient time for me to come to this farm. It is fine out here in this section.

Affectionately
Miss Beckwith
